

Psychosomatic Disorder

The Truth and the Myth

Living in a busy city like HK, do you or your children often have the following symptoms?

- a. Headache
- b. Back pain
- c. Stiffness on neck & shoulder
- d. Stomach ache
- e. Constipation
- f. Insomnia

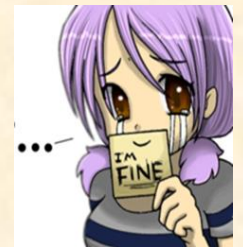

Do you know these could be symptoms of psychosomatic disorder?

If you want to learn more about this topic, you are welcome to join this training workshop.
